### **WELCOME TO OUR SHOW**

Tonight the Chattanooga Choo Choo Chorus presents a special barber-shop harmony "SING OUT".

It is my pleasure to welcome you to our annual show. To all of you whose loyal support we depend on each year, it's GREAT to see you again. To all of you "first-timers", we hope you enjoy the show enough to make it an annual affair.

We appreciate your support, which in turn allows us to support our service project, the Institute of Logopedics in Wichita, Kansas. This organization dedicates it's talents to the correction of speech defects, especially in children—no matter how severe. Through the support of wonderful people like yourselves, barbershoppers throughout the Society have contributed over four million dollars to this worthwhile project.

Again, thank you for coming. We hope you enjoy our show. So relax, lean back, and let us entertain you.

Randle Dickerson  
President

## ABOUT OUR CHAPTER

The Chattanooga Chapter was chartered as a chapter of S.P.E.B.S.Q.S.A., Inc. in 1962. Since then a determined group of barbershoppers with fun, fellowship and singing in mind have met weekly. Not only have we competed in Dixie District Competitions over the years, but our hobby has proven to be an excellent tool for community service. The chorus and quartets sing at every opportunity where vocal entertainment is needed. The Chattanooga Choo Choo Chorus has performed for various state conventions, activities at Eastgate and Northgate Malls, civic organizations, hospitals, retirement homes, educational functions and local television.

One highlight for our chapter occurred in March of 1981 when the Choo Choo Chorus competed and WON the Volunteer Division of the Dixie District. Bringing home the trophy was a thrilling experience for all of us.

All men of good will who enjoy "bustin' out" with a song are invited to attend. Anyone who wants to just listen is also cordially invited to come and enjoy the pleasant sound of good close harmony.

### "WE SING THAT THEY SHALL SPEAK"

In June of 1964, the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America adopted the Institute of Logopedics in Wichita, Kansas, as our own Society-wide service project.

This Institute is dedicated to the correction of speech defects in children, no matter what the cause and no matter how severe the impediment. They perform almost daily miracles with children who have been locked in a prison of silence or bound by the misfortune of speech defects.

Adopting this fine institution has added a new dimension and sense of purpose to our singing activities. This purpose can be summed up in our motto, "We Sing That They Shall Speak". We believe we can have no finer purpose. And you may take satisfaction in knowing that your support has allowed the contributions of our Society to exceed three million dollars to this worthy effort.

## The Suntones

Champions of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America Inc.

The Chattanooga Chapter is proud to present this outstanding quartet: Drayton Justice, Lead; Bill Cain, Bass; Gene Cokeroff, Tenor; and Harlan Wilson, Baritone.

Perhaps you have seen the SUNTONES during one of their many guest shots on television with Jackie Gleason and Mike Douglas. Or maybe you heard them at Symphony Hall in Boston — or the Ford Auditorium in Detroit — or La Tropicana Night Club in Juarez, Mexico.

They've recorded albums, made TV and radio commercials, and entertained a variety of show business pros: Louis Armstrong, Eddy Arnold, Bing Crosby, Jane Morgan, Kate Smith, and Frances Langford, to name a few.

Thousands of barbershoppers are entertained every year by the unique style of this talented quartet.
