WELCOME TO OUR SHOW

Tonight we have a special treat for barbershop harmony fans and music lovers in general. The Chattanooga Choo Choo Chorus and quartets will weave a musical mosaic in barbershop harmony covering the full range of emotions, moods, and subjects depicted by our great and uniquely American style of music.

Our guest quartet, “The Roaring 20’s” is well known throughout our Society for their singing of barbershop harmony in the best tradition of Barbershoppers. They have consistently been among the top quartets in the world in barbershop competitions, and they are first in the hearts of a lot of Barbershoppers.

Thank you for your support which allows us to support our service project, The Institute of Logopedics in Wichita, Kansas — an institute dedicated solely to the correction of speech defects, no matter how severe, in people of all ages.

We hope you enjoy the show. It has been fun for us, and we always enjoy singing for an appreciative audience. Get ready now for A BARBERSHOP TIME OF YOUR LIFE.

Sing-cerely,

David Reynolds, President
Chattanooga Chapter

ABOUT OUR CHAPTER

The Chattanooga Chapter was chartered as a chapter of S.P.E.B.S.Q.S.A., Inc. in 1962. Since then a determined group of barbershoppers with fun, fellowship and singing in mind have met weekly. Not only have we competed in Dixie District Competitions over the years, but our hobby has proven to be an excellent tool for community service. The chorus and quartets sing at every opportunity where vocal entertainment is needed. The Chattanooga Choo Choo Chorus has performed for various state conventions, activities at Eastgate and Northgate Malls, civic organizations, hospitals, retirement homes, educational functions and local television.

One highlight for our chapter occurred in March of 1981 when the Choo Choo Chorus competed and WON the Volunteer Division of the Dixie District. Bringing home the trophy was a thrilling experience for all of us.

All men of good will who enjoy "bustin' out" with a song are invited to attend. Anyone who wants to just listen is also cordially invited to come and enjoy the pleasant sound of good close harmony.

"WE SING THAT THEY SHALL SPEAK"

In June of 1964, the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America adopted the Institute of Logopedics in Wichita, Kansas, as our own Society-wide service project.

This Institute is dedicated to the correction of speech defects in children, no matter what the cause and no matter how severe the impediment. They perform almost daily miracles with children who have been locked in a prison of silence or bound by the misfortune of speech defects.

Adopting this fine institution has added a new dimension and sense of purpose to our singing activities. This purpose can be summed up in our motto, "We Sing That They Shall Speak". We believe we can have no finer purpose. And you may take satisfaction in knowing that your support has allowed the contributions of our Society to exceed three million dollars to this worthy effort.
