Dedicates This Show To The Memory Of

Sidney C. Kiser

1932 - 1990

Baritone

Sid first became a member of the Society in 1958. He was a member of the Charlotte and Atlanta Chapters, and since the mid 70's a member of the Chattanooga Chapter, where he was a chapter officer, and most recently served as our business manager. A warm, friendly, humorous, active and much loved individual, Sid will be greatly missed by his fellow Barbershoppers as well as by many others.

Welcome !

The Chattanooga Choo Choo Chorus would like to welcome you to our first annual Christmas show, as we present this evening's performance of What The Dickens!. As you may know, the proceeds from tonight's show have been dedicated to our unified service project, the Institute of Logopedics in Wichita, Kansas. The holiday season is a most fitting time to give thanks and remember all the wonderful moments in life, and the people who have made them so along the way. Our society's combined dedication has been able to make a real and lasting difference to the many children served by the institute, and we would like to thank you for your support. For two years running, this chapter has been awarded the gold medal of honor for outstanding contributions to this most worthy cause, and this year we'll do it again.

We would also like to thank all the wives and families who give so generously to support the men of this chapter.

Without them, we could not exist.

Singing and having fun are what we are all about, and we're delighted to have the Southern Harmony Chorus as our guests tonight. So let's all sing in the holiday season with the songs of Christmas past, and later on we may even let you join us for one or two !

Happy Holidays to you and yours, and thanks for coming !!

Sing-cerely

Scott McKenzie

President

About Our Chapter

The Chattanooga Chapter was chartered as a chapter of the S.P.E.B.S.Q.S.A. Inc. in 1962. Since then, a determined group of barber-shoppers, with fun, fellowship, and singing in mind, have met weekly. Not only have we competed in Dixie District Competitions over the years, but our hobby has proven to be an excellent opportunity where vocal entertainment is needed. The Chattanooga Choo Choo Chorus has performed for various state conventions, activities at Eastgate, Northgate, and Hamilton Place Malls, civic organizations, hospitals, retirement homes, educational functions and local television.

All men of good will who enjoy "bustin' out" with a song are invited to attend. Anyone who wants to just listen is also cordially invited to come and enjoy the pleasant sound of good close harmony.

We Sing That They Shall Speak

In June of 1964, the Society of the Preservation and encouragement of Barbershop Quartet Singing in America adopted the Institute of Logopedics in Wichita, Kansas, as our own society-wide service project.

This institute is dedicated to the correction of speech defects in children, no matter what the cause and no matter how severe the impediment. They perform almost daily miracles with children who have been locked in a prison of silence or bound by the misfortune of speech defects.

Adopting this fine institution has added a new dimension and sense of purpose to our singing activities. This purpose can be summed up in our motto "We Sing That They Shall Speak." We believe we can and have no finer purpose. And you may take satisfaction in knowing that your support has allowed the contributions of our society to exceed nine million dollars to this worthy effort.
