## From The President

Dear Patrons, Supporters, Fans, and Guests:

On behalf of the members of the Chattanooga Choo-Choo Chorus, I would like to welcome you as our guests for the evening. As you relax to the sounds of harmony and recall some familiar tunes, we would like to thank you for helping us to keep these old songs alive, and to allow us to contribute towards our society's united service project, the Institute of Logopedics in Wichita, Kansas. We have been awarded for two years running the gold medal of honor for outstanding contributions towards helping this most worthy cause. Your attendance tonight helps us do it again. Thank you.

In addition, we would like to thank all the wives and families that give so generously to support the men of this chapter. Without them we could not exist.

Singing and having fun are what we are all about, and we're overwhelmed to have the Marietta Big Chicken Chorus and the Scenic City Sweet Adeline Chorus performing here tonight. Both are award winning choruses, and will knock your socks off!!

Three choruses, multiple quartets, and a finale that you'll have to hear to believe. Relax if you can, and have a great time. Thanks for coming.

With a song in my heart,

Scott McKenzie  
President

It's great to be a barbershopper

## About Our Chapter

The Chattanooga Chapter was chartered as a chapter of the S.P.E.B.S.Q.S.A. Inc. in 1962. Since then, a determined group of barbershoppers, with fun, fellowship, and singing in mind, have met weekly. Not only have we competed in Dixie District Competitions over the years, but our hobby has proven to be an excellent opportunity where vocal entertainment is needed. The Chattanooga Choo Choo Chorus has performed for various state conventions, activities at Eastgate, Northgate, and Hamilton Place Malls, civic organizations, hospitals, retirement homes, educational functions and local television.

All men of good will who enjoy "bustin' out" with a song are invited to attend. Anyone who wants to just listen is also cordially invited to come and enjoy the pleasant sound of good close harmony.

## We Sing That They Shall Speak

In June of 1964, the Society of the Preservation and encouragement of Barbershop Quartet Singing in America adopted the Institute of Logopedics in Wichita, Kansas, as our own society-wide service project.

This institute is dedicated to the correction of speech defects in children, no matter what the cause and no matter how severe the impediment. They perform almost daily miracles with children who have been locked in a prison of silence or bound by the misfortune of speech defects.

Adopting this fine institution has added a new dimension and sense of purpose to our singing activities. This purpose can be summed up in our motto "We Sing That They Shall Speak." We believe we can and have no finer purpose. And you may take satisfaction in knowing that your support has allowed the contributions of our society to exceed nine million dollars to this worthy effort.

## About Our Performers

### The Choo-Choo City Chord Committee

Organized in 1986, the Chord Committee has appeared in the last three chapter shows. They are very active locally singing for weddings and dinner parties. Recently they entertained at the Chattanooga Dance Theater Workshop. Quartet members are: Claude Walker, tenor; Tom Keegan, lead; David Reynolds, baritone; and Dave Collins, bass.

### Stage II

The Stage II Quartet was organized in its present form in the fall of 1987, and they continue to perform a full schedule of appearances. In the past year they have sung on the Fall Color-Special Train and the Christmas Cruises for the Southern Belle Riverboat. Singing tenor is Dan Bruns; Horace Brock, lead; David Reynolds, baritone; and Paul Blazek, bass.

### River Blenders

The River Blenders were winners of the District's Novice Quartet Contest in 1989. This bunch really knows how to have a good time singing. Quartet members are: Barry Owens, tenor; Bernerd Peek, lead; Johnny Jackson, baritone; and Dave Collins, bass.

### Rock City Four

The newest chapter quartet, they sing with a lot of enthusiasm. Singing tenor is Fred Jesse; James Coulter, lead; Sid Kiser, baritone; and Ed Durden, bass.

### Our Guest Dancers

We would like to thank our dancers, Jim Slater and Debbie Carroll, who are representatives of the United States Dance Club of Chattanooga, located near Hamilton Place Mall, at 6918 Shallowford Rd.

### Steppin' Out

A recently formed foursome of girls who are veterans from several top quartets in this region. Singing traditional barbershop songs, they are: Linda Howard, tenor; Judy Goodowens, lead; Joyce Stanbery, baritone; and Marcy Murphree, bass.

### The Scenic City Sweet Adelines

The Scenic City Sweet Adelines sing four-part barbershop harmony with a style and excitement all their own. Through their endeavors they have attained third place in competition during the 1989-'90 year in the "Heart of Dixie" Region. This is quite an accomplishment as there are many fine choruses in the southeastern section of the United States. Judy Goodowens has directed the chorus for the past year. She was also recently awarded the special honor of "Novice Director" by the society.

The ladies welcome girls who love to sing. They rehearse and otherwise have a good time each Tuesday at 7 p.m. in the Trinity Lutheran Church, on the corner of Hixson Pike and Highway 153. The Sweet Adelines are available for performances. Contact Linda Howard at 615-842-8965.

We are indeed proud to have the Scenic City Sweet Adelines as guests on our show.
