About Our Chapter

The Chattanooga Chapter was chartered as a chapter of The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc.(SPEBSQSA) in 1962. Since then Monday nights are nights of fun, fellowship and harmony. The chorus has also filled a niche in the entertainment world in Chattanooga. The chorus and its quartets continue to perform at many venues in the Chattanooga area. This year the chorus hosted the Dixie District Fall Convention. Approximately 2000 dedicated barbershoppers and their families came to Chattanooga.

We Sing That They Shall Speak

The Society, its individual chapters, quartets, and members actively support a number of local charities. They also contribute to Heartspring in Witicha, Kansas. Heartspring, often called "Speech Town USA", deals with persons with communicative disorders, provides trained people to carry on this work throughout the world, provides facilities and assembles research material which will lead to new techniques and treatments. The Society has raised more than nine million dollars for Heartspring.

A portion of the proceeds from the Christmas shows will go to a chosen local charity and to support the Chapter's commitment to Heartspring.

Thank you for helping our chapter to continue to support worthy local charities and Heartspring!

The Choo Choo chorus members want to again thank the important people in our lives who give up so much so that
we can
participate in the wonderful hobby of
barbershopping!

The Choo Choo Chorus would like to thank the following patrons and supporters for their help with our spring show, the Dixie District Fall Convention, and throughout 1994.
