### From The President's Desk

On behalf of the men who make up the Chattanooga Choo-Choo Chorus, let me welcome you to our annual spring show. We are extremely proud that you have chosen to spend your evening with us as we try to recreate those old vaudeville days.

From its humble beginnings in Tulsa, OK when 26 men met on April 11, 1938, the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc., has grown to include some 36,000 men throughout the United States and Canada. We are proud to claim Heart Spring as our service project. A portion of tonight's proceeds will go to this organization, which helps individuals who suffer speech defects and other inhibitions to normal speech.

The results of all the hard work that went into tonight's show that you are about to enjoy would not have happened without the support, encouragement and love of our wives or girlfriends. Ladies, we could not do it without you!

It is our sincere hope that everyone will enjoy tonight's show. We encourage you all to mark September 30th and October 1st on your calendars and join us at the Tivoli when Chattanooga hosts the Dixie District Fall Competition! It will be a great opportunity!

And now, on with the show!

Steve Grubb, President  
Chattanooga Choo-Choo Chorus

## Our Special Guests...

### The Stone Mountain Barbershop Chorus

The Stone Mountain Chorus, under the direction of Tim Brooks, is a chapter of the International Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America (or Barbershop Harmony Society). The Chorus has a winning reputation in the Dixie District (Peach District Champions eight times and Dixie District runner-up in 1994) and expanded its reputation by competing in the Buckeye Invitational Championship. The chorus was runner-up in 1993 and champion in 1994.

The Stone Mountain Chorus produces an annual barbershop extravaganza show each November. The 1995 show will be on Saturday, November 11, at Gwinnett Performing Arts Center.

The Stone Mountain Chorus enjoys the opportunity to provide entertainment for many types of audiences, including churches, community cultural events, nursing homes and privately sponsored events. They love their hobby and hopes it shows!

The men of the Choo Choo Chorus  
want to thank the women of the Choo Choo Belles  
for their unselfish and loving support.

Without their assistance and encouragement, we could  
not succeed to the degree that we do.

We also want to thank each person in our lives who encourages, supports and allows us to continue with our hobby of barbershop style singing. These special persons understand the time, personal commitment and dedication we as singers spend trying to reach that "seventh heaven" barbershoppers talk about. We hope that tonight when we "ring a chord" it will thrill you as much it does us.
