A presentation by the Nashville and Chattanooga Chapters of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc. (SPEBSQSA) 2

FROM THE PRESIDENT OF THE NASHVILLE CHAPTER OF SPEBSOSA

What a delight it is to welcome you to this evening of harmony and happiness. Nashville's "barbershoppers", a part of nearly 40,000 men who make up the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, look forward each year to this chance to share with others the thrill of hearing that unique blend of voices known as barbershop harmony. This year our show is a "Salute to Disney". The name Disney has for years stood for quality, family entertainment; and that's what we are going to present this evening-quality, family entertainment.

We also want to thank you for the support your presence tonight gives us as we try to preserve and perpetuate this native American form of music. Your support of those bussinesses who have so generously advertised in our program would

also be greatly appreciated.

Now, here comes the commercial. I would be remiss if I didn't mention to all the men in the audience who would like to learn how to sing, we are a music teaching organization, please join us any Thursday night at West End Church of Christ (West End Avenue at Bowling) at 7:30 p. m. And for you ladies, the Sweet Adelines would love to have you join them on Tuesday evenings, same place, same time. It's a wonderful hobby and it's a wonderful time.

If your heart has been lifted by our songs, and you feel a little better as a result of hearing and seeing our show, this will make all our efforts worth while.

SOUTHERN ACCHORD

It's show time and once again it's great to be a part of the show. Southern Acchord was formed in the Spring of 1988, when our chorus was rehearsing for the joint-chapter show with the Chattanooga and Huntsville chapters. The quartet has had a few membership changes since then with two changes of bass and two or three changes of tenor - who can keep track!??

Bobby Jenkins, the newest member of the quartet, sings tenor. Howard McAdory is the lead. Mark Lindecker sings baritone. The big bass voice in the quartet if George Hatalosky.

Southern Acchord has been active in Dixie District competition and is readily available for performances. Contack Mark Lindecker at (615) 298-1417.
